

Auburn Little League Umpires

Upcoming Training Sessions

Auburn Little League will be offering two umpire training sessions for the 2010 season. We would like all of our new and returning umpires and managers to attend at least one of these sessions to catch up on the new rule changes and to refresh your memory on field mechanics. **New Rule change this year requires an adult Umpire on every game.**

New Umpires:

Umpires must be age 12 and above to umpire. All new umpires are required to attend a training session. We recommend attending both sessions. If you fail to attend one of these sessions you will **NOT** be approved as an umpire.

Managers:

All managers are responsible for four regular season games. Two by the manager and two by an adult volunteer associated with the manager's team. Each manager should have two games completed by mid season. Any manager who fails to accomplish this may be suspended for one game for each game not umpired.
